No registration fee is payable for voice trial candidates. Successful candidates who accept a place at the school will be invoiced for a deposit of £100 to confirm that acceptance. This sum will be returned, subject to the deduction of any final extra costs, when the child leaves the school.

The termly fees are payable on or before the first day of each term or may be spread on a Direct Debit payment plan. Chapter pays one half of the boarding and tuition fees for choristers, from when they start as probationers until they leave the school, subject to satisfactory progress and commitment in school and choir.
